What is Title I?

Riverbend Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it? This is a plan that describes how Riverbend Elementary will provide opportunities to improve family engagement to support student learning. Riverbend Elementary values the contributions and involvement of parents and family members in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Riverbend Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised? Riverbend Elementary School invites all parents to attend a parent and family engagement input meeting, in the spring, to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, school comprehensive needs assessment and the family engagement budget. Additionally, our school welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey online and have paper copies available for parents to provide suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities throughout the school year including our Family Nights. The school will submit parent comments to the district in writing if the Title I Schoolwide Plan is not satisfactory to parents.

Who is it for? All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Riverbend Elementary will provide full opportunity for the participation of parents with limited English, with disabilities, and of migratory children.

Where is it available? At the beginning of the year, after revision, the plan is posted on the school's website, emailed through Infinite Campus, Remind, and presented at the Annual Title I meeting, and paper copies are provided in the school's front office. Parents can also get a copy of the plan in the Parent Information Center.
